## **Press Release**

### **16th FAMDENT Show celebrates successful relaunch in Mumbai in face-to-face format alongside MEDICAL FAIR INDIA**

India's leading conference and trade fair for advanced clinical dentistry, the FAMDENT Show, has made a successful restart in face-to-face format (after a pandemic break) with its 16th edition. From 20 to 22 May 2022, 7,664 visitors came to the Jio World Convention Centre (JWCC) in Mumbai to see the latest innovations from 156 exhibitors in an exhibition space of 7,000 sqm.

Since 2019, FAMDENT has been part of the MEDICAlliance event portfolio. Under this umbrella brand, the Messe Düsseldorf Group uniformly markets its global medical trade fair activities with, among others, the world's leading medical trade fair MEDICA at the Düsseldorf location.

With its themes, the FAMDENT Show achieved a top response from the authoritative and decision-making professional audience from the entire dental industry in India. In keeping with the quality of the visitors, the event was supported by global players such as Colgate (main partner), 3M (gold partner) as well as Illusion Dental Lab, Sensodyne, One Nation and Ansell.

In addition to the trade fair, the top-class scientific conferences offered insightful lectures on industry-relevant topics and attracted 532 delegates. One of the highlights was the presentation of the 9th FAMDENT EXCELLENCE IN DENTISTRY AWARDS.

The FAMDENT Show takes place at alternating locations in India, whereby this time in Mumbai there was parallelism with another MEDICAlliance trade fair, MEDICAL FAIR INDIA 2022. The leading

medical trade fair for the Indian subcontinent counted 277 exhibitors and a good 9,000 visitors.

The date for the next FAMDENT event, to be held at the HITEX Exhibition Center in Hyderabad on 27 and 28 August 2022, has already been set.

Further information on the event is available online at:
