Medical Fair China 2020
Suzhou International Expo Centre, China

MEDICAL FAIR CHINA Postponed to September 2021

As a satellite exhibition in China of MEDICAlliance, whose most renowned trade fair is MEDICA in Germany, Medical Fair China (MFC) is an international expo focused on medical innovations for the Chinese market. In the past 2 years, MFC has attracted a large number of international exhibitors, visitors, speakers and media partners. Currently the effects of novel coronavirus worldwide have caused a complicated travel situation for these international participants. Therefore, **Messe Düsseldorf Shanghai (MDS) has decided to postpone Medical Fair China to September 2021**, which is originally scheduled for 17-19 September 2020.

Now MDS is working closely with partners and related authorities to evaluate the latest epidemic situation and will release all updated information in a timely manner.

MDS will also continue to extend the necessary support to exhibitors, visitors, and partners, integrate various resources, and will present a high-level international trade fair for the industry in 2021

MDS sincerely apologizes for any inconvenience this may cause. Thank you for your understanding and continued support of Medical Fair China. For more information, please visit www.medicalfair.cn
