START-UP PARK

MEDICAL FAIR ASIA returns for its 12th edition in 2018 and continues staying ahead of the curve, reflecting the needs of the region's medical and healthcare sectors. Over the years, there has been an immense change in medical technology, which has naturally impacted the healthcare industry in a good way.

Held for the first time within MEDICAL FAIR ASIA, the Start-Up Park creates an international platform which enables meetings and networking amongst healthcare start-ups, academics and investors, including accelerators and healthcare professionals from all over the world.
